

Finding Your Group

How do you want to connect? Everyone has different things they are looking for in a group. What's most important to you; finding the right day of the week, finding people in a similar stage of life, or maybe finding a group that meets in your part of town? This directory is meant to be a starting point for you - providing some general information about each of our current life groups. On this directory we've provided; 1) The name and pictures of our group leaders, 2) The day of the week that they are meeting, 3) The area in which the group typically meets (*some groups rotate through several group members homes*), 4) The stage of life of the group members, and 5) The phone number and email address of the group leader so that you can find out more details about the group before you decide to attend.

** Please call the group leader before bringing any young children to a group meeting, most groups do not provide in house childcare and you may need to work out childcare before going to the meeting.*

If you have any questions or would like further information about Life Groups please feel free to contact Reece Mashaw at 352.243.1155 or through email at rmashaw@churchatsouthlake.org.
